

# THANK YOU

## Thank you Amanda

Thank you for your generous donation of £300 to Oxfam's response to the Ebola crisis in West Africa.

Joining forces with health authorities, Oxfam is providing gloves, masks, overalls, boots, goggles, and other gear to teams carrying out vital public health work. And – through radio, print, and training door-to-door messengers – we are helping community members understand how they can protect their families from the deadly epidemic.

### Take action:

## The impact of our work

We're world leaders in water and sanitation. In Pakistan we helped provide these life-saving facilities.

Your response to the 2010 Haiti earthquake helped us save tens of thousands of lives.
