Dear Head Teacher / Principal,

I wanted to thank everyone at Riverside School for your involvement in BBC News School Report this year.

On News Day I had the chance to see some of the amazing work created by schools, and I was extremely impressed by the range and quality of the reports produced by students around the UK. None of this would be possible without the hard work of your staff and pupils and I am sure that you are as proud of your students' reports as we are at the BBC.

We hope you will continue to work with us as the project grows. We want every pupil to have the opportunity to make the news for real.

Yours sincerely,
